**When a handsome fireman adopts a stray cat at Christmastime, he changes his confirmed bachelor ways and finally opens his heart to the love of a beautiful veterinary student in "The Nine Lives of Christmas," a Hallmark Channel Original Movie World Premiere Holiday 2014. Brandon Routh ("Superman Returns") and Kimberley Sustad ("A Bride For Christmas") star with Stephanie Bennett ("Signed, Sealed, Delivered"), Chelsea Hobbs ("Make It or Break It") and Gregory Harrison ("One Tree Hill") in this heartwarming, holiday drama. "The Nine Lives of Christmas" is part of Hallmark Channel's annual COUNTDOWN TO CHRISTMAS, the #1 most treasured holiday destination by television viewers.**

**"The Nine Lives of Christmas' is a perfect fit for Hallmark Channel as it not only brings our viewers a special holiday story but also embraces pet adoption, the foundation of the network's corporate initiative, Pet Project," said Michelle Vicary, Executive Vice President of Programming, Crown Media Family Networks. "As millions have fallen in love with Sheila Roberts' novel The Nine Lives of Christmas, we couldn't be happier to partner with her to bring to life her beloved holiday book into a film that will resonate with our viewers."**

**Fireman Zachary Stone (Routh) is a confirmed bachelor who doesn't believe in love or commitment. When a stray, tabby cat named Ambrose shows up at his door, Zachary**

takes him in and slowly starts to see that a little companionship might not be so bad after all. Zachary's commitment to solitude is further challenged when he meets Marilee (Sustad), an animal lover and veterinary student who teaches Zachary how to care for his new feline roommate. Chemistry immediately develops between the two, but Marilee has vowed not to date until she graduates and Zachary is not ready to jeopardize his independence, though he senses Marilee is special.

With Christmas rapidly approaching, Marilee's sister Jaclyn (Bennett) convinces her to add romance to her nose-to-the-grindstone life of work and school, while fire chief Sam (Harrison) encourages Zachary to understand the importance of love, marriage and having someone special with whom to share the holidays. When Zachary's model girlfriend Blair (Hobbs) pressures him to get rid of Ambrose and has Marilee fired from her job at a pet supply store that her father owns, Zachary sees the light, realizing he is in love with Marilee and that life is better if shared with someone special.

“The Nine Lives of Christmas” is a Nine Lives Films, Inc. Production. Jim Head and Ted Bauman are the executive producers. Ted Bauman is also the producer. Mark Jean directed from a script by Nancey Silvers based on the book by Sheila Roberts.
